Subject: DRAFT Christmas Trading Hours

As many stores begin to prepare for the upcoming Christmas season, we recognise the importance of understanding the Centre's extended trading hours. To assist you in this planning, we are pleased to share the Draft Trading Hours for the Christmas period.

Please keep in mind that the Allowable Trading Hours are typically confirmed by the Queensland Government in November. Once these hours are finalised, we will provide an updated version of the Centre's Core Christmas Trading Hours.

We extend our trading hours during this festive season to accommodate the needs of both our customers and retailers, ensuring maximum convenience, sales, and profitability. The Centre will promote these hours through our usual communication channels, and we kindly expect all retail stores to adhere to the Extended Christmas Core Trading Hours as a minimum. Please note that some of our major retailers may choose to operate for longer hours.

If you plan to extend your trading hours beyond the Centre's designated times, we would appreciate it if you could complete the form provided on the following page and return it to the Customer Service Desk.

Should you have any questions or require further assistance, please don't hesitate to reach out.

Yours sincerely,

Sentinel Caneland Mackay Investment Pty Ltd
